Somaiya Vidyavihar Vision

Our Founder, Padma Bhushan Shri. K. J. Somaiya founded Somaiya Vidyavihar on the 9th of September 1959. He later founded the Girivanvasi Pragati Mandal, The K. J. Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the World. In the words of Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased, the intellect expanded, and by which one can stand on one's own feet." We have now grown into a multi-disciplinary and multi-campus education institution with over 1500 faculty, and 38,000 students.

Our motto is: ज्ञानादेव तु कैवल्यम् | Knowledge alone liberates. Liberates from poverty, from hunger. Also to liberate one from the attachments that bind us to small-mindedness. Knowledge also provides opportunity. To make the life lived more meaningful. In the service of one's family, one's community, one's समाज, country, and indeed the world. Bearing in mind that there is no religion other than the life lived in the service of humanity, न मानुषात् परो धर्मः। We will strive to provide access and opportunity to build a more inclusive society.

Our education in any subject will reflect its timeless fundamentals, its current context, and applications. There is so much scientific discovery taking place, at the intersection of fields, of biology, computing, medicine, the social sciences and everywhere else. We will provide students and faculty with an environment to engage this world, to discover new truths, make new applications to create and share knowledge.

Our education will also be experiential. With projects that are 'real' and those that complement the learning inside the classroom. Our students and faculty will be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of their passion.

Our education will also be holistic. Sports and physical exercise must be a firm part of the curriculum. For students to develop a love for sports, for recreation, for health, for teamwork, for competition. Our education will also instill an appreciation for art and culture.

In the Bhagavad Gita, Arjun asks Krishna how is one to control one's mind that is as fleeting as the wind. Krishna responds that it can only be done through practice and discipline. वैराग्येण तु कौन्तेय अभ्यासेन च गृह्यते | We will strive to teach our students to learn to stay calm in our turbulent world.

And our education will also include the ancient Indian tradition, its culture, its depth, and its knowledge. We must keep the connection with our mother tongue and our languages. Languages are storehouses of culture, and the loss of a language takes with it much learning, stored through it over the ages.

Finally, our education will help students lead a full life, to fall in love with life.

Our dream, is to build a world class research and teaching institution, that is global in the reach of its ideas, and universal in its service. Welcome to our community.

Our Founder & Our Inspiration

Padma Bhushan
(Late) Pujya Shri Karamshibhai J Somaiya
(16.05.1902 – 09.05.1999)

“Neither do I long for Kingdom, nor for heaven, nor do I desire to be free from rebirth, I only wish to remove the sufferings of all being afflicted by pain”

Our Founder

Padma Bhushan Pujya (Late) Shri. Karamshi J Somaiya, an entrepreneur, philanthropist and a great visionary, by the dint of hard work and singular devotion, totally dedicated himself to the services of humanity.

Endowed with a sharp business prowess, a balanced perspective and a social bent of mind, Karamshibhai set up the K J Somaiya Trust in 1951. Later, he laid the foundation for Somaiya Vidyavihar in 1959. This has grown into large educational complex with 37 institutions catering to diverse fields of education in Science and Humanities, Engineering, Education, Medicine, Management, Mass Communication etc. with more than 38000 students, 1700 teaching faculty and more than 1300 non-teaching supporting staff.

Our Inspiration

(Late) Dr. Shantilal K. Somaiya was a leading industrialist and businessman who received various awards including prestigious 'Luminosa' and Sanskrit Mitra' titles strongly upheld the peaceful co-existence of religions. He travelled extensively across the globe to spread the message of Indian Culture and Philosophy. He also made a remarkable contribution to education and upliftment of 'adivasis'.

(Late) Dr. Shantilal K. Somaiya
29.12.1927 to 01.01.2010
**The great visionary and
Transformational Leader**

Message from Chairman

Shri. Samir Somaiya
President, Somaiya Vidyavihar
Chairman, Somaiya Trust

I welcome you to Somaiya Vidyavihar Institutions. Somaiya Vidyavihar was founded over 60 years ago, as an institution dedicated to foster learning, innovation and character building.

The institution helps cultivate a climate of enquiry, questioning, and freedom to explore and contribute answers to problems, small and large, local or global.

Our campus has a large diversity of academic programs, and houses students from various disciplines, who come from different parts of India, and the world. The institution aims to develop young men and women who dedicate their learning to improve themselves, and the common good.

Once again, I welcome you to our institution, and hope that you achieve great heights, and find out more about your own self. K J Somaiya Institute of Engineering and Information Technology (KJSIEIT), the second Engineering College established by the Somaiya Trust in the year 2001, at Ayurvihar campus, Sion was set up primarily in response to the need for imparting quality education in the modern field of Information Technology and the allied branches of Engineering and Technology. KJSIEIT is an autonomous institute and as a well-established name in the Engineering Education has been creating engineering professionals to shoulder growing responsibilities and pursue emerging opportunities with a career progression.

The Institute intends to impart quality education and holistic personality development of the students under four streams of engineering i.e. Electronics and Telecommunication engineering, Artificial Intelligence and Data Science, Computer Engineering and Information Technology with total 360 intake capacity and a post graduate program i.e. Master of Engineering in Artificial Intelligence with 18 intake capacity. Keeping in view, the Institute's commitment towards quality education, the three elements which make this possible are physical infrastructure, technological infrastructure, and organizational infrastructure. It has always been the major emphasis to make the Institute a vibrant place for learning.

KJSIEIT extends over sprawling 5 acres of land and is located at the heart of Mumbai city, in the spacious campus of Somaiya Ayurvihar. It is housed in an eight storied building having ground plus eight floors & new building "Riturang" with airy classrooms, hi-tech laboratories, auditorium, canteen, common rooms etc. It provides state-of-the-art amenities with a special emphasis on the holistic development of students for the skilled and social development through various professional international and national bodies. To achieve dynamic progress in related domains, the Institute strives for a tremendous parallel improvement in facilities and infrastructure to keep it on par with the best institutions in the field of Engineering and Information Technology. Overall, the facilities provided foster creativity, innovativeness and capabilities for a self-directed lifelong learning in students for a constructivist learning.

Messages from Secretary & Provost

Lieutenant General Jagbir Singh
Secretary
Somaiya Trust

Message from Secretary

In a rapidly changing world, it becomes imperative for Institutions to create students who will not only apply knowledge to fostering community values and reflect diversity but also empower them to be ethical leaders. The students of Somaiya Vidyavihar campuses display a spirit of being “Societal Engineers” who are driven with purposeful education applied for improvement of the environment.

KJSIEIT envisions imparting not only recent technical trends in education but also a set of ethically important attributes in the budding technocrats. The campus ambience inspires the learners to synergize their efforts for development of a sustainable environment with productive reformations that benefit the grassroots level of the community.

With its mission to enrich the society, KJSIEIT has adopted a dynamic approach of laying a strong foundation of instilling all the engineering as well as humanistic attributes so as to empower its students who influence the real world. I wish all students who will form part of this mission the very best and am sure that they will benefit immensely in developing a wholesome personality while concurrently pursuing their goal of achieving excellence in this Institution.

Message from Provost

Somaiya Vidyavihar as an epitome of educational innovation has a defined mission of imparting advanced knowledge that educates students in technological domains. KJ Somaiya Institute of Engineering and Information Technology (KJSIEIT), as NAAC "A" graded premier Institute, is committed to serve the society and the global humanity in the 21st century. Since its inception, it is driven to apply knowledge that brings solutions to the world's great challenges.

KJSIEIT evolves with a spirit of bringing radical educational reforms - a community with hands-on problem - solvers that puts technology to make the world a better place. The spirit of its campus is a reflection of how its learners are guided for holistic development while putting the new-age technologies for societal use.

I welcome all the students at the Somaiya campus with a certainty contributing towards many scientific breakthroughs and technological advances.

Prof. V. N. Rajasekharan Pillai
Provost, Somaiya Institutions
and
Vice chancellor,
Somaiya Vidyavihar University

Message from Principal

Dr. Suresh Ukarande

Principal and Chairman - Academic Council, KJSIEIT

Associate Dean, Faculty of Science and Technology, University of Mumbai

Member - Academic Council, BOD, BOEE, RRC, University of Mumbai

Member - National Executive council, ISTE, India

K. J. Somaiya Institute of Engineering and Information Technology (KJSIEIT), being an autonomous institute permanently affiliated to University of Mumbai possesses more flexibility in adapting newer approaches to reach higher levels of excellence in technical education.

KJSIEIT provides education with wide ranging standards of excellence in 4 Undergraduate (UG) and 1 Postgraduate (PG) programs in engineering. Our institute is accredited with “A” grade by NAAC and 2 programs are accredited by NBA. KJSIEIT received “BEST COLLEGE AWARD” from University of Mumbai in urban region and “Best Engineering College Award by CSI local chapter and also from ISTE Maharashtra and Goa Section.

KJSIEITs syllabus under the autonomy comprises state-of-the-art courses and laboratory sessions on emerging areas of technology, fostering students for developing innovative solutions to real-world issues of the society and/or industry through the acquired knowledge.

With an ideology that the root of innovation is ‘interest’, the curriculum offers a wide range of elective courses - grouped into core and inter-disciplinary domains. At par with international engineering education, the students can choose to study courses concerning areas of their interests.

The curriculum introduces Skill-Based Learning (SBL), Activity-Based Learning (ABL), and Technology-Based Learning (TBL) as eXposure (SAT) courses - that assure X factor in all the students of the institute. The SAT courses shall be practiced across the first three years of engineering, focusing on graduate attributes like work ethics, responsibilities towards society, problem-solving ability, communication skills, motivation for life-long learning, leadership and teamwork, etc. that may not be copiously imbibed through regular engineering courses. The proficiencies acquired herein shall open huge employment and entrepreneurial opportunities for the students.

Students of the institute are provided exposure to the work culture and trends in industries through live / collaborative projects / product developments concerning healthcare, agriculture, societal / industrial need-based problems, etc. as well as pursue internships making them industry-ready engineers. The blend of all these learning components in the curriculum shall strengthen the research and innovation ecosystem in the institute for best benefits of the students.

For placements, our Institute is approached by global business houses like TCS, Accenture, Microsoft, etc. with a steady record of recruitments of our students. While offering best innovative educational practices, we also have experienced faculty and state of the art infrastructural amenities and laboratories.

In the global scenario, the students graduating from this Institute are truly empowered with recent technical trends so as to become world leaders and contribute significantly for the philanthropic cause of the society.

Through joint efforts of all stakeholders, strategic planning, and efficient execution of neoteric educational practices with hi-tech wizardry, KJSIEIT shall strive to become a role model autonomous institute across the nation.

Message from Vice-Principal

Dr. Sunita R Patil

Vice Principal, KJSIEIT,
Member, Board of Studies in Computer Engineering,
University of Mumbai

K. J. Somaiya Institute of Engineering and Information Technology (KJSIEIT), one of the premier autonomous engineering institutes permanently affiliated to University of Mumbai offering Computer Engineering, Information Technology, Artificial Intelligence and Data Science and Electronics and Telecommunication Engineering undergraduate programs and Artificial Intelligence post graduate program is focused for the academic as well as all-round professional, holistic and social development of its students through an array of multi-skilled, professional, extension, co-curricular, extracurricular and lifelong learning activities.

KJSIEIT imparts quality education in the emerging areas of technology and uses the same technology in teaching learning processes. Institutes curriculum under autonomy provides globally required exposure to its learners focusing sound theoretical background supported by practical experiences in the relevant emerging areas of engineering and technology.

Besides engineering and technology foundation, Industry 4.0 demands modern, industry-oriented education, up-to-date knowledge of analysis, interpretation, designing, implementation, validation, and documentation of not only computer software and systems but also electronics and communication systems, hardware devices and tools, trained professional, ability to work in teams on multidisciplinary projects, etc. Thus faculty and staff of the institute makes use of online Learning Management Systems such as Google classrooms, online education and entertainment tool- Oftee, online video lectures and value addition certification programs by NPTEL, Spoken Tutorials, Swayam, Coursera and IBM- Innovation Centre for Education Platforms, with in-house developed Student and faculty management portal, Placement and attendance management portal, Admission process and Feedback conduction tools, Research development and result calculation tools etc.

Institute, faculty and student memberships of professional international, national societies such as IEEE, IETE, CSI, IET, ISTE, IEL, ACS and various cells, clubs and committees such as Institute Innovation Cell, Training and Placement cell, National Innovation and startup Policy, Industry Institute Interaction Cell, Cyber Security & Research Cell, IoT Cells, Software Development cell, Programming club, Hobby club, Marathi Bhasha Vangmay Mandal, Street Play team, Robotics cell, REDX club, Developers club, etc. play major role in shaping the career of our students by conducting various co-curricular and extra-curricular, technical, cultural, sports and extension activities throughout the year.

A freshman entering into KJSIEIT gets trained, moulded, prepared and nurtured as all round true human being serving the society, the nation and the world at large.

Programmes and Courses

Undergraduate Programmes

Bachelor of Technology in Electronics and Telecommunication Engineering
Intake: 120

Bachelor of Technology in Computer Engineering
Intake: 120

Bachelor of Technology in Information Technology
Intake: 60

Bachelor of Technology in Artificial Intelligence and Data Science
Intake: 60

Postgraduate Programmes

Master of Technology in Artificial Intelligence
Intake: 18

Departments and Sections

Administrative Office

Vision, Mission, Quality Policy and Objectives of the Institute

Vision

To emerge as a synonym of quality, excellence, and commitment in the field of engineering education by unlocking potential, nurturing talent and transforming young minds to create future-ready engineers.

Mission

- To provide students with a thorough knowledge of engineering to refine their professional skills.
- To nurture creativity and innovation while encouraging multidisciplinary interaction.
- To train students to be industry ready and capable of working effectively as an individual and in teams.
- To inculcate ethical behaviour, responsibility, and commitment among students.

Quality Policy

- To conform to the requirements of regulatory authorities viz; All India Council for Technical Education (AICTE), Directorate of Technical Education (DTE) and UoM.
- To maintain transparency and fair practices in admission and recruitment processes.
- To ensure continuous evaluation and examination process.
- To ensure best academic ambience by providing high-end equipments in the laboratories, computers, learning resources and smart classrooms.
- To ensure a safe and secure environment for all stakeholders.
- To promote industry Institute interaction, research and development, placements, technical, co-curricular and extracurricular activities.

Objectives of the Institute

- To focus on persistent improvement in processes related to teaching, learning, and evaluation and to promote a culture of research and development among staff and students.
- To develop technical and interpersonal skills so that the students translate knowledge into action contributing to the benefit of the society.
- To enhance the learning experience of students by honing versatility through diverse activities.

About the Institute

The K. J. Somaiya Institute of Engineering and Information Technology (KJSIEIT), was established by the Somaiya Trust in the year 2001 at Ayurvihar campus, Sion. The institute was set up primarily in response to the need for imparting quality education in the modern field of Information Technology and the allied branches of Engineering and Technology. The College is housed in a G+8 storey building and in International Standard of Riturang building with airy classrooms, hi-tech laboratories, auditorium, canteen, common rooms etc.

The Institute is situated adjacent to Eastern Express Highway. Chunabhatti and Sion are the nearest railway stations on Harbour line and Central line respectively, Nearest Bus stop is Everard Nagar, Chunabhatti on Eastern Express Highway.

Salient Features

- ✓ Autonomous Engineering Institute, permanently affiliated to University of Mumbai
- ✓ Recognition of College under 2(f) & 12 (B) of UGC act 1956 for receiving research grants
- ✓ Governing Body – Guiding and administering the institute for continuous growth
- ✓ Situated in the heart of the Mumbai city with good transport connectivity
- ✓ State of the art infrastructure
 - * Wi-fi enabled campus
 - * CC Camera Surveillance
 - * Ample parking space
 - * Spacious garden
 - * Spacious and well-lit classrooms
 - * Fire Fighting and Safety Devices
 - * Online Teaching in pandemic situation
- ✓ Internal Quality Assurance Cell – For academic and administrative quality assurance of the institute
- ✓ Guidance and Proctor System
- ✓ Qualified, experienced, dynamic and dedicated faculty
- ✓ 24 hours internet accessibility with 150 Mbps bandwidth
- ✓ Library – Huge knowledge resource with digital, e-access and 24x7 global common circulation facilities
- ✓ Open Gymnasium, Play grounds: Football, Volleyball, Astro Turf etc.
- ✓ Helping Hand – KJSIEIT : A Financial Aid Scheme for needy and meritorious students
- ✓ Bus facility from Somaiya Vidyavihar Campus to Somaiya Ayurvihar Campus

Campus Activities

- ✓ Innovative project development by faculty and students with Major and Minor research grant through various funding agencies
- ✓ Software Development Cell (SDC) of faculty and students is active in developing consultancy software projects as per needs of academic institutions and industries
- ✓ IBMs Innovation Centre for Education (IBM-ICE) - Graduation, Diploma and Certification courses in emerging areas of technology with IBM India
- ✓ Research Innovation Incubation and Design Lab (Riidl), an in-house incubator promoting startups
- ✓ Industry Advisory Board (IAB) – For supporting industry academia collaborations, increasing placements, internships and industry trainings
- ✓ National Innovation Startup Policy (NISP) – For promoting and establishing research & innovation focused startups and incubators
- ✓ Internship Policy - Based on AICTEs guidelines, increasing avenues for industry internships
- ✓ Institutional membership of coursea.org, National Program on Technology Enhanced Learning (NPTEL) of MHRDs-IITs, Spoken Tutorial of IIT Bombay etc for online certification courses
- ✓ Affiliation to various professional bodies for Student chapters and Faculty chapters

***IEEE**

***CSI**

***IETE**

***IET**

***ISTE**

***IEI**

***ACS**

- ✓ Active Training and Placement Cell, Entrepreneurship Cell
- ✓ Annual Technical, Cultural and Sports Festivals : RENAISSANCE, SURGE and SCORE respectively
- ✓ Student enrichment activities through various student clubs and cells e.g. Robocon Cell, Cyber Security & Research cell, IOT Cell, Programming Club, Hobby Club, Marathi Bhasha Vangmay Mandal, Street Play Team, Vyom Club, New Leap Initiative Team, CodeChef Career Guidance in Govt. Public sector club etc.
- ✓ National Service Scheme (NSS) and Centre for Life Long Learning and Extension (DLLE) of University of Mumbai
- ✓ Interactive / Smart Board Learning
- ✓ Regular Industry-Institute Interaction : MOUs with companies like Mastek, Databyte, CTL, RS Heating Systems Pvt. Ltd. Lilbargo Pvt. Ltd. , Current Technology, Acevin Solutions, Eduvance, Cognito-IT, Riva Labs etc.
- ✓ MHRD's Institution Innovation Cell–Institutions Innovation Council (MICs-IIC) for increasing innovation activities in the institute
- ✓ National and International technical and nontechnical Experts from IIT, IISc, AICTE, DTE and Cornell University, USA for guidance and Interaction with students
- ✓ Conduction of many more student and faculty development – technical and non-technical, free of cost activities across nation in COVID'19 pandemic crisis

Institute Honors

UGC
University Grants Commission

“Fresh Autonomous Status” by University Grants Commission (UGC)

National Board of Accreditation (NBA) Accredited 2 Programs

- Computer Engineering
- Electronics and Telecommunication Engineering

National Assessment and Accreditation Council (NAAC) Accredited Institute with “A” Grade and 3.21 CGPA in its 1st cycle for 5 years duration

**INSTITUTION'S
INNOVATION
COUNCIL**
(Ministry of HRD Initiative)

MHRDs Innovation Cell (MIC) ranked Institution's Innovation Council (IIC) in Top 25 institutions amongst 952 institutes at All India Level and Top 3 in Western Region amongst 159 institutes

Best College Award

by University of Mumbai for A.Y. 2018-19 (Urban Region)

Best Institute of the Year Award

by Computer Society of India (CSI) for Year 2019

Best Engineering College Award

by Indian Society of Technical Education (ISTE – MH and Goa Section) for Year 2018

Best Institute of the Year Award

by Computer Society of India (CSI) for Year 2018

Institute Honors (Recent)

8th All India Ranking to KJSIEITs ROBOCON team in National Robocon Contest in August 2021

1st Prize of INR 1 Lakh in National-level event Smart India Hackathon 2020 organized by AICTE and MHRD to students of Information Technology and Computer Engineering Department under mentor Dr. Radhika Kotecha

5th All India Ranking and Judges Special Award to KJSIEITs ROBOCON team in Asia Pacific Broadcasting Union (ABU) National Robotic Contest (Robocon) in 2020

"Maker of the Year 2021 Award" and **INR 70,000/- prize** to Students from Department of Information Technology among 400+ participants in Asia's biggest Maker gathering "Maker Mela 2021" organized by Riidl under guidance of Dr. Radhika Kotecha

KJSIEIT's student satellite team's **PocketQube standard satellite** proposal for launching experimental satellite platform aboard PS4-OP program Selected by **ISRO**

The only Institute in Mumbai to get Amateur Radio Club License with Call sign VU2CWN for Club for Radio Operations and Wireless Network (CROWN)

3rd prize of INR 10,000 in VCET Hackathon 2021 among 160+ participants to Students from Department of Information Technology

1st prize of INR 20,000 in HackOfiesta National-level Hackathon organized by IIIT Lucknow to Students from Department of Information Technology and Computer Engineering

1st prize of INR 15,000 in Codelcon 2.0 to Students from Department of Information Technology and Computer Engineering among 50+ participants organized by K. J. Somaiya Institute of Management

Institute Honors

Platinum Category Award

by AICTE-CII IndPact Survey for Years 2019 & 2018 and Gold Category Award for Years 2017 & 2016 for Major Industry-Institute Interaction activities

Best Academic Affiliate Partner Award by the Institution of Engineering and Technology (IET) Mumbai LN for Years 2019, 2018, 2017 & 2016

Bhartiya Vidya Bhavan National Award for Best Engineering College Principal conferred on Dr. Suresh Ukarande for Year 2019 by Indian Society of Technical Education (ISTE)

Best Principal of the Year Award conferred on Dr. Suresh Ukarande for Year 2019 by Computer Society of India (CSI)

Best Principal of the Year Award conferred on Dr. Suresh Ukarande for Year 2018 by Computer Society of India (CSI)

Best HOD of the Year Award

conferred on Dr. Milind Nemade for Year 2019 by Computer Society of India (CSI)

Best Social Impact Project of the Year conferred on Dr. Radhika Kotecha - Head of Information Technology Department, Mr. Parth Maniar and Mr. Saj Maru for Year 2019 by Computer Society of India (CSI)

The Pillar of Hindustani Society Award conferred on Prof. Nalini Kumthekar by the Trans Asian Chamber of Commerce & Industry in February 2020

Institute Honors

1st Prize of INR 1 Lakh in Mastek Deep Blue Project Competition 2020 Season-5 to students of Computer Engineering

1st Prize of INR 50K in Artificial Intelligence Deep Learning Hackathon 2020 to students of Computer Engineering

Late Namrata Bhagat Award for Innovative Youth Engineer-2019 by Trans Asian Chamber of Commerce & Industry-2019 to Mr. Shashank Karn, student of Electronics Engineering

Best Student Project of the Year conferred to students of Information Technology Department Mr. Parth Maniar, Mr. Saj Maru, Mr. Yash Nagda, Mr. D Koushal Kumar and Mr. Viraj Vora, by Computer Society of India (CSI)

1st Prize in Homebrew VHF Antenna Contest 2019 organized by Lamakaan Amateur Radio Club to students of HAM Club

Maharashtra State Table Tennis Championship and Men's Singles Mumbai University Table Tennis Championship won by Computer Department student Jash Dalvi in 2019-20

First Position in Smart India Hackathon 2019 secured by Computer Engineering students Kartik Chawda and Team

1st prize in "UNSCRIPT 2K19" Hackathon 2019 to student of Information Technology Department Chandu Parmar

Institute Honors

1st Prize in Electric Studio event and 2nd Prize in Maker's Backyard event to the Information Technology Department student Rohit Bokade in ISTE Students National Convention 2019

3rd prize of Kerala Government Engineering Design National Award to students of Information Technology Department Falguni Thakkar and team under the guidance of Prof. Harsh Bhor in ISTE Students National Convention 2019

Ms. Isha Patel

Mr. Varad Sawant

Ms. Sakshi Agrawal

Mr. Dhruv Parikh

Mr. Ronit Bhamere

2nd prize in 24 hr Hackathon, organized by, Vidyalandkar Institute of Technology, Mumbai

Mr. Shivam Jobanputra
Runner-up in INTECH competition 2021, organized by KJSIEIT, IET

Mr. Nayan Bhatiya
Runner-up in INTECH competition 2021, organized by KJSIEIT, IET

Mr. Kartik Chawda
Winner in INTECH competition 2021, organized by KJSIEIT, IET

Mr. Mohil Khare
Third prize in VCET hackathon 2021, organized by, VCET

Mr. Kunal Mehata
Successfully completed the Google Summer of Code(GSoC) project on "Orcasound" and received a stipend of 3000 USD, 2020, organized by GSoC

Shri. K. J. Somaiya Award for Somaiya Star Student (Girl) at Somaiya Vidyavihar Awards 2019 Ms. Preksha Hatolkar, Dept. of Electronics and Telecommunication

Mr. Umang Somani
Selection of project idea based on "Smart helmet with 5G enabled technology" for Indian Mobile Congress (IMC)

Mr. Vaibhav Lakhani
Acknowledged by National Critical Information Infrastructure Protection Centre an organization of Govt. of India for reporting various vulnerabilities

Institute Projects

Software Development Cell (SDC) launched mobile app “Kisan Khazana(Healthy Earth Healthy Farmer)” for farmers of Karnataka, India through Godavari Bio-refineries Ltd., Karnataka. Institute received **Rs. 46 lakhs towards the consultancy charges** for this project

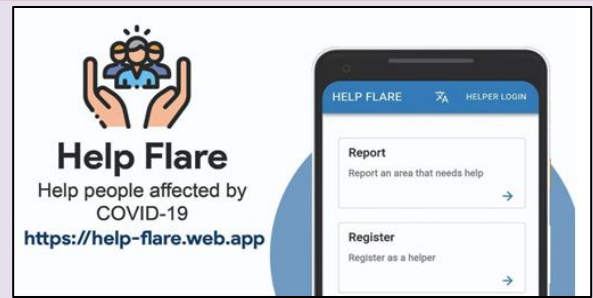

Dr. Umesh Shinde initiated a project under **Make in India Initiative** in collaboration with Databyte Services and Systems, Mumbai and Society for Applied Microwave Electronics Engineering and Research (SAMEER) in November 2019

Ritesh Sandbhor, Sahil More, Yash Deshpande, Shatayu Thakur and Nayan Bhatia under the guidance of Prof. Reena Lokare and Dr. Hariram Chavan developed web based and app based **Severe Acute Respiratory Illness-SARI Survey Software and Mobile App** for Health Department, Solapur District Municipal Corporation

Students Prince Gada & Vaibhav Lakhani under the guidance of Ms. Sarita Ambadekar developed an appointment scheduling web application for the Users of **University of Mumbai** called **‘ALMANAC’**

“Development of Artificial Intelligence Models for Weather-Based Short-Term Load Forecasting” in collaboration with India Meteorological Department and Tata Power Company Ltd. by students Parth Maniar, Saj Maru, Mitanshu Reshamwala and Samyukta Nair under the guidance of Dr. Suresh Ukarande and Dr. Radhika Kotecha

“Help Flare app to help COVID19 Affected People” developed by Computer Engineering Department students Idrees Dargahwala, Burhanuddin Udaipurwala, and Shivam Bhanushali under the guidance Prof. Kavita Bathe and Prof. Mrunali Desai

Dr. Sunita Patil, Vice Principal and Dr. Hariram Chavan, Professor, Department of Information Technology conducted **two weeks consultancy training program** for Rs. 2.3 Lakh for **Indian Navy Officers** at INS Valsura, Gujrat on Artificial Intelligence and Big Data analytics

Ranking Status

- ❑ KJSIEIT is ranked in the **Top 50 Private/Self-Financed Colleges in India** by AICTE and Ministry of Education's Innovation Cell (MIC), Govt. of India in **Atal Ranking of Institutions on Innovation Achievements (ARIIA) 2020**.
- ❑ KJSIEIT is placed in the **Rank Band 'B'**, indicating a **Rank Between 26 – 50 among approx. 400 Private/Self-Financed Colleges** participating from all over India.
- ❑ KJSIEIT is **one of the 7 Engineering Colleges** affiliated to the **University of Mumbai** that has secured a ranking in ARIIA 2020.

- ❑ KJSIEIT is placed in the **Rank Band 251-300 in India Rankings 2020** by **National Institutional Ranking Framework (NIRF)**, Ministry of Education, Govt. of India from **1071 Engineering Institutes** participating from all over the nation.

- ❑ KJSIEIT is **one of the 12 Engineering Colleges** affiliated to the **University of Mumbai** that has secured a position in **NIRF - India Rankings 2020**.

- ❑ Ministry of Education's Innovation Cell (MIC) recognized **KJSIEIT - Institution's Innovation Council (KJSIEIT - IIC)** as-
 - **Best Performing IIC in Western Zone** from 280+ IICs for the year 2019-20
 - **One of the Top 40 IICs in the Nation** from 1700+ IICs for the year 2019-20
- **IIC with 5-Star Performance** for the year 2019-20
- **Best Performing IIC in Western Zone** from 150+ IICs for the year 2018-19
- **One of the Top 25 IICs in the Nation** from 950+ IICs for the year 2018-19
- ❑ **KJSIEIT – IIC scored 97.5 out of 100** with additional **183.33 Reward Points** for the 2019-20.
- ❑ **40 Faculties, Staff, and Students** from **KJSIEIT - IIC** selected as **Innovation Ambassadors** by MIC

Infrastructure

Computation and Internet

The institute has 771 computer terminals with INTEL i3 configuration including 4 servers connected through LAN / Wi-Fi and are loaded with advanced application and system software. Internet accessibility is provided for 24 hrs with the bandwidth of 150 Mbps. Common Computing facilities with dedicated internet connectivity in laboratories. State of the Art laboratories with high end equipments.

Classrooms and Drawing Hall

The institute has seventeen spacious, well lit and ventilated class-rooms and a drawing hall, designed to provide students with a clear view of board/LCD projection, good audibility during the theory lectures. The classrooms have provision for audio-visual aids. Two classrooms are smart classrooms with interactive boards. 5 classrooms are having Office Wifi as an education and entertainment tool.

Auditorium and Seminar Hall

The Institute has a well equipped air conditioned auditorium and seminar hall admeasuring 386 sq.m. and 145 sq.m. respectively, for conducting extra-curricular activities like technical seminars, lectures, workshops, students activities and other cultural activities which normally are a part of the academic calendar. Training and placement activities are regularly conducted in the auditorium and seminar hall.

Eco-friendly Infrastructure

Institute has developed a butterfly garden in the campus to make the campus environmental friendly. Ring well is available on the campus which is used for rainwater harvesting. Institute has installed composting system through which canteen food waste and organic waste in the Institute premises are converted into useful manure.

Infrastructure

Sports Facilities

Gymkhana provides facilities to practice sports. Our sports complex consists of indoor table tennis, carom, chess, outdoor table tennis, outdoor chess, Volleyball ground, AstroTurf football, football ground skating, cycling track and cricket ground. There is an open gymnasium which aids in the development of physical fitness and is a stress buster after long hours spent in the classroom.

Hostel

The hostel accommodation for outstation students is provided by Somaiya Trust at Vidyavihar and Ayurvihar campuses. There are two hostels which can accommodate 408 girls and 524 boys between them. For newly admitted student, 25 seats for boys and 15 seats for girls are reserved. Third hostel at Ayurvihar campus is under construction. Hostel rooms are well equipped and have internet facility, provides hygienic/nutritional food and recreation avenues like gymnasium, jogging track etc.

Canteen

Spacious open canteen with delicious food, electric and internet points at places with a small amphitheater like arrangement for mini events is available in newly constructed Riturang Building

Bus Facility

Both the campuses of Somaiya Trust at Vidyavihar and Ayurvihar are connected through bus facility for students and staff.

Department of Electronics & Telecommunication Engineering

Department of Electronics & Telecommunication Engineering started in the year 2001 with an intake of 60. The intake was increased to 120 in the year 2003. The department is accredited by NBA in 2018.

The department has highly qualified and well-motivated faculty supported by dedicated technical and nonteaching staff members. The department has well equipped labs with latest state of art facilities. The department is committed to impart excellent teaching-learning and research & development activities in the field of electronics & telecommunication to the students in a most effective manner. The department organizes expert lectures, workshops, seminars, industrial visits, internships and other co-curricular activities for the all-round development of students that provide an engineering attitude amongst students to solve technical problems with confidence. The department also organizes the activities to inculcate ethical behavior, responsibility and commitment amongst the students. The students take active participation in workshops, project competitions and other co-curricular & extracurricular activities.

The current curriculum of the department under autonomy has a blend of courses covering IT and the core domain catering to the current industry requirements. The curriculum includes courses such as Artificial Intelligence, Cloud Computing, Data science, Machine and Deep learning, Natural Language Processing etc. in the IT domain and courses like wireless networks, 5G technology, RF Design, Sensor Technology and Internet of Things, Embedded Systems, Robotics and Autonomous vehicle etc. in the core area.

The students of the department have scope of placement in the fields of Mobile & Wireless Communication, Microwave & RF communication, Signal Processing & Machine Learning, VLSI & Embedded System Design, Networking, Robotics, Defense and Research applications.

Best Practices of Department

- ✓ Highly qualified & dedicated faculty and staff
- ✓ Well equipped & latest state of the art laboratories
- ✓ Extensive use of ICT in teaching - learning
- ✓ Focus on all-round development of students
- ✓ Emphasis on Skill, Activity, Technology and Project based learning
- ✓ Active participation in project competitions, paper presentations & other technical and cultural activities
- ✓ Strong mentoring system
- ✓ Active association with professional bodies like IEEE, IEI & IETE

Shri. K. J. Somaiya Award for Somaiya Star Student (Girl)
at Somaiya Vidyavihar Awards 2019 Ms. Preksha Hatolkar, Dept. of Electronics and Telecommunication

Department of Computer Engineering

The department of Computer Engineering was established in the year 2001 to impart quality education with intake of 60 and has doubled to 120 from the academic year 2019-20. The department is accredited by NBA in 2018 and has highly qualified, determined and dedicated teaching faculty who prepare students to excel in the field of computer engineering. The state-of-the-art laboratory facilities for students to perform project-based learning.

Besides offering undergraduate (B.Tech. in Computer Engineering) it also offers Post Graduation (M.Tech.) in Artificial Intelligence. As the autonomous status is awarded by UGC from academic year 2021-22, curricula have revised for UG and PG programs by Board of Studies. Exposure courses like Skill based, Activity based and Technology based courses are added to motivate students to participate in various activities. Under Project Based Learning (PBL) mini, minor and major projects are introduced from Semester III to Semester VIII which help students to work in a team and develop projects using latest technologies. Few faculties from department work dedicatedly in Software development Cell (SDC) which is actively involved in R&D and consultancy projects.

Student's active participation in technical activities like Hackathon, Project competitions, International conference etc. gives them a platform to interact with the industry personnel. Students have opportunities to participate in various professional bodies, students club and student cell to flourish their talent in co-curricular and extra co-curricular activities

Department students have always brought laurels and won monetary prizes in many national and international level competitions. The department has to its credits of maximum number of placements of the students in Infosys, TCS, Accenture, Cognizant, L&T Infotech, CSC, Tech Mahindra, Mastek, ICON, Majesco, MuSigma, BNP Paribas. Every year, few students opt for pursuing higher studies at prestigious universities in India and abroad.

Department Highlights

- ✓ ICT and innovative practices for best teaching learning
- ✓ Highly competent and dedicated faculty with vast teaching and industrial experience
- ✓ Project Based Learning to enhance students' technological aptitude
- ✓ Ample opportunities and funding Industry and Research projects
- ✓ Guidance and support for participation in national and international level competitions
- ✓ Abundant opportunities for in-house and industrial internships
- ✓ On/off campus placement opportunities, Career guidance and placement training
- ✓ Strong mentoring system to connect students
- ✓ Strong alumni association
- ✓ Expert talks, SDP, Webinars, FDPs, workshops for students and faculties
- ✓ Departmental library
- ✓ NPTEL Local chapter, spoken tutorial IITB, Coursera online courses are available for certification
- ✓ Certificate and Value-added courses for the development of overall performance of the students

Department of Information Technology

Department of Information Technology empowers its students to become the technological leaders of tomorrow by imparting quality education and knowledge of cutting-edge Information Technology. The Department offers state-of-the-art curriculum for B.Tech. (Information Technology) designed with detailed inputs from industry experts considering the current and futuristic market trends to produce industry-ready engineers. The department organizes myriad co-curricular and extra-curricular activities like Seminars, Hackathons, Competitive Programming Practice Series, Aptitude Practice Series, Mock Interviews, Higher Studies Guidance Seminars, Business Plan Development Workshops, PoC Development Sessions, etc. to create a broader perspective for students, help them to identify career interests, acquire training in the right direction, build higher self-esteem, and learn essential life skills.

Forte of the Department:

- ❑ **Emphasis on Research and Innovation:** Several live/need-based projects developed and deployed for application areas like healthcare, societal contribution, automation, education, agriculture, security and surveillance, etc.
- ❑ **Culture of Internships and Industry Exposure:** Summer and Winter Internship arranged for all students through strong tie-ups with 40+ IT companies.
- ❑ **Placements, Higher Studies, and Entrepreneurship:** Records of high-salary & 100% placements in reputed companies with high-profiled job roles, admissions in universities with world rank in top 50, several start-ups established, etc.
- ❑ **Innovative Teaching-Learning Pedagogies:** Student-centric approach, Project-based Learning for various academic accomplishments as well as synergy between teaching and all-round development of the students.
- ❑ **Dynamic Faculty:** 04 Ph.D., 06 Ph.D. - Pursuing, and other experienced faculties with expertise in AI, Machine Learning, IoT, Big Data Analytics, Blockchain, Cloud Computing, etc.
- ❑ **State-of-the-Art Infrastructure:** Ambience for world-class learning experience with modern IT tools — also usable for online education.
- ❑ **Mentoring and Opportunities for Students:** With mentoring by the department, students actively participate and win prizes in various competitions like National-level Hackathons, Maker Mela, Innovation Contests, Debates, Paper Presentations, Project Competitions, etc.

Department of Artificial Intelligence and Data Science

Department of Artificial Intelligence and Data Science established in the year 2020-2021 with the intake capacity of 60 seats. An undergraduate program B.Tech Artificial Intelligence and Data Science which imparting knowledge in the two emerging thrust areas Artificial Intelligence (AI) and Data science (DS). This is an interdisciplinary branch of science, engineering and technology creating a complete system and a pattern shift in almost every sector of the technical industry, academics and research. Machine Learning (ML) is the subset of AI, makes computers thinks and act like humans and Deep Learning is the subset of ML, allows machines to think and make decisions like humans. This B.Tech course is designed to enable students to build the next age of intelligence machines and to prepare students with the skills to develop real world applications using data analytics and visualization technologies. With the tremendous amount of data generated every day, Data Science plays vital role helping every business organisation in identifying business trends and changes through advanced Big Data Analytics, statistical analysis, data extraction, manipulation, visualization and data maintenance to interpret and predict business results and future.

Highlights of the Department:

- ☐ Students centered Teaching Learning Process
- ☐ Focus on Focus on Experiential and Project Based Learning
- ☐ Funding for development of Industry and Research Projects
- ☐ Parental care and Counselling
- ☐ Strong Industry Interface and Hands on Training to students
- ☐ In-house and Industry Internship opportunities
- ☐ State of the art infrastructure and cutting edge laboratories
- ☐ Excellent faculty student ratio.
- ☐ Online learning through NPTEL, Coursera, Spoken Tutorial, etc.
- ☐ Focus on extracurricular activities through NSS

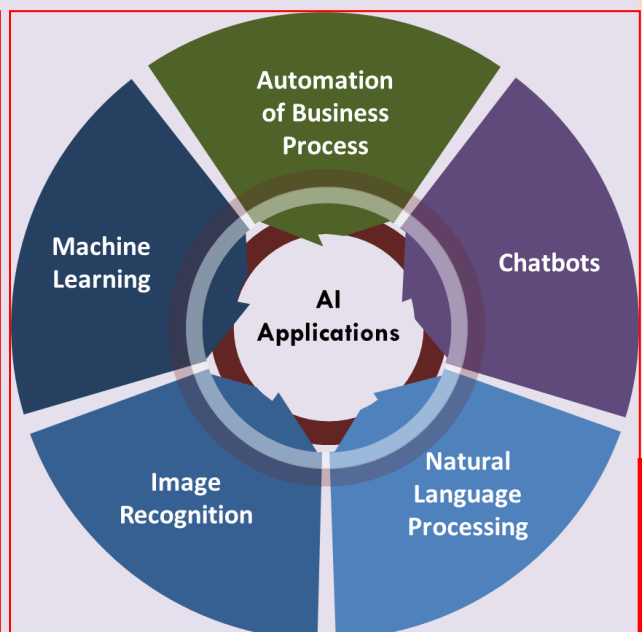

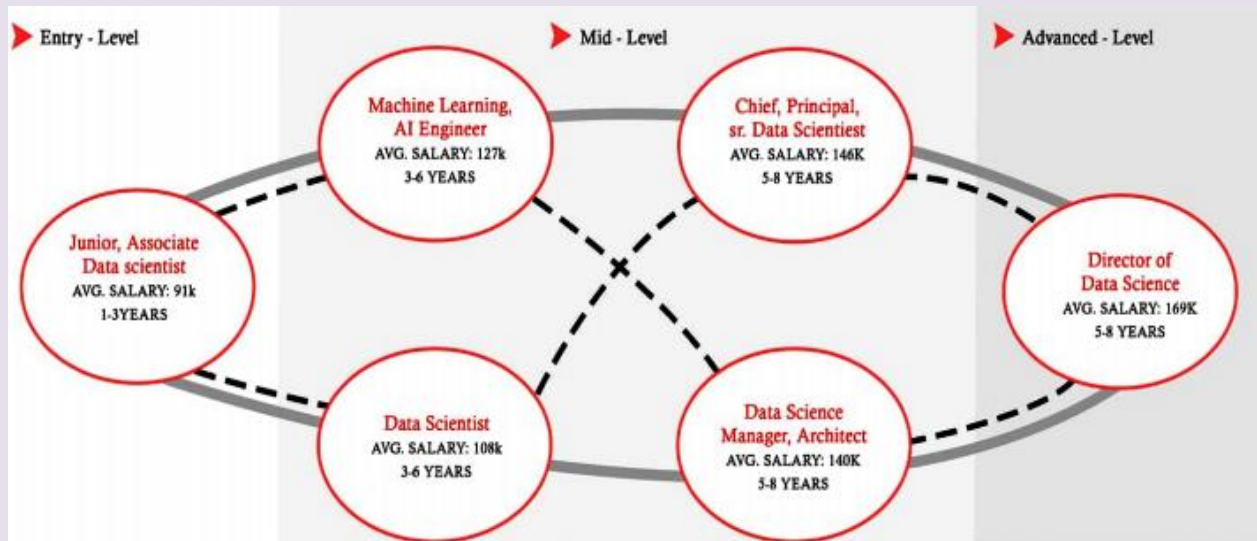

Department of Artificial Intelligence and Data Science

Career Paths:

- ☐ Artificial Intelligence Engineer
- ☐ Database Administrator
- ☐ Data Architect
- ☐ Statistician
- ☐ Business Analyst

- ☐ Data and Analytics Manager
- ☐ Data Journalist
- ☐ Machine Learning Engineer
- ☐ AI & ML Lead
- ☐ AI Consultant

- ☐ Data Scientist
- ☐ Deep Learning Engineer
- ☐ Data Analytics
- ☐ Data Engineer/Developer
- ☐ NLP Engineer
- ☐ NLP Analyst
- ☐ Research Scientist

Department of Electronics Engineering

Electronics is the branch of science, engineering and technology that deals with electrical circuits involving active electrical components such as vacuum tubes, transistors, diodes and integrated circuits, and associated passive interconnection technologies. The nonlinear behavior of active components and their ability to control electron flows makes amplification of weak signals possible and is usually applied to information and signal processing. Similarly, the ability of electronic devices to act as switches makes digital information processing possible. Interconnection technologies such as circuit boards, electronics packaging technology, and other varied forms of communication infrastructure complete circuit functionality and transform the mixed components into a working system. Electronics Engineering department has signed 18 MoUs with various industries for conduction of guest lecture, Internship for student, Project Collaboration, Industrial Visits, etc. The Electronics Engineering department received a donation of Lab-In-Box from ARM which consists of 10 ARM cortex M0+ FRDM KL25Z development boards from Freescale Semiconductors and 100 floating licenses of Keil mdk professional under lab setup by Eduvance Vanmat Technologies Pvt. Ltd, Mumbai.

Department Strengths–

- ✓ Focus on Project Based Learning
- ✓ Ample of opportunities and funding for development of Industry and Research Projects.
- ✓ Participation in ROBOCON-Asia Pacific Broadcasting Union Robot Contest activity every year.
- ✓ Excellent academics and placement activities.
- ✓ Highly competent and devoted faculty with vast teaching and industrial experience.
- ✓ Well-equipped and State-of-the-art laboratories.
- ✓ Acquisition of academic skills of learning through ICT and Innovative practices.
- ✓ Strong mentoring system for students.
- ✓ Active association with student professional bodies IETE, IEEE and CSI.
- ✓ Focus on the extracurricular activities through National Service Scheme (NSS)
- ✓ Ample of opportunities of in-house and industrial internships for students.
- ✓ Strong industry interface through Industry Institute Interaction Cell (IIIC)

Department of Basic Sciences and Humanities

The Department of Basic Science and Humanities endeavors to accomplish the objectives concerned with the Engineering courses. In the direction of imparting training to deliver the Universal Human Values as a part of holistic measures the department has implemented the 'Induction Training Program' to the newly admitted students. The key focus is on Personal Counselling & Mentoring' with expert lectures in the area of Sports, Research, Culture, Ancient and Foreign Languages, Yoga & Meditation, Guidance on Start-ups etc. The students are inducted to various core committees headed by the faculty – National Programme on Technology Enhanced Learning – **NPTEL** (online courses run by IITs), Vyom (Astronomical Club), Infinity Loop (Programming/Coding), Indian Society for Technical Education – **ISTE** (Technical events), New Leap Initiative (Satellite club) Aura Magazine, Nakshatra (Marathi Bhasha Cultural Wing), Somaiya Space Conclave, the first of its kind in Indian college. The Induction program is aimed to reinforce the fundamental concepts and the required language skills as pre-requisites for technical education. Purpose of the Student Induction Program is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration.

Laboratories -

- ✓ Applied Physics Lab
- ✓ Applied Chemistry lab
- ✓ Engineering Mechanics lab
- ✓ Basic Electrical Engineering Lab
- ✓ Auto-cad Lab
- ✓ Sci-Lab
- ✓ Language Lab
- ✓ Computer Programming Lab
- ✓ Hardware and Networking Lab
- ✓ Workshop
- ✓ Engineering Drawing Hall

Post-Graduate Programme in Artificial Intelligence

Programme Highlights:

Programme :	Master of Technology in Artificial Intelligence	Discipline :	Computer Engineering
Intake :	18 Seats	Duration :	2 Years
Eligibility :	Passed Bachelor Degree in Computer Engineering / Information Technology / Electrical Engineering / Electronics Engineering / Electronics and Telecommunication Engineering / Instrumentation Engineering / Power Electronics -- with at least 50% marks (at least 45% marks in case of candidates of Backward class categories, Economically Weaker Section (EWS) and persons with disability belonging to Maharashtra State)		
Requisite:	Non-Zero Positive GATE Score in Computer Science and Information Technology (CS), Electronics and Communication Engineering (EC), Electrical Engineering (EE), Instrumentation Engineering (IN) streams OR Full-time Work Experience of 2 Years with Sponsorship Certificate from the Employer		

Programme Objectives:

- ✓ To provide comprehensive knowledge of state-of-the-art AI techniques
- ✓ To produce skilled practitioners who can cater to the needs of government, industry and scientific organizations in the area of AI
- ✓ To produce industry-ready professionals with strong algorithmic perspective of AI
- ✓ To acquaint working professionals with cutting-edge developments in AI
- ✓ To facilitate programmers in migrating to AI solutions' development
- ✓ To provide hands-on experience on multiple case studies using key drivers of AI like Python, R, MATLAB, Caffe, Hadoop and more

Salient Features of the Programme:

- ✓ Artificial Intelligence indicated as Emerging Areas of Technology by AICTE
- ✓ Cutting-edge curriculum designed with extensive input from industry subject matter experts
- ✓ Hands-on artificial intelligence projects
- ✓ Pedagogy: Learning by doing, Industry mentoring, Blended learning
- ✓ Job opportunities at Research and Development level
- ✓ Industry insights through multiple industry knowledge sessions
- ✓ Platform to exchange research ideas with peers through the International Conference organized annually at KJSIEIT
- ✓ Direct advantage of Center of Excellence at Robotics Process Automation at KJSIEIT
- ✓ Benefit of R&D culture in KJSIEIT to aspirants: More than 40 Research Grants received, More than 35 MoUs signed with industries, Expert talks organized on Research Opportunities by eminent scientists, Training programmes on various AI software development tools, etc.
- ✓ 24*7 access to state-of-the-art research publications in IEEE, ACM, Elsevier, Springer, etc. digital libraries for KJSIEITians

Courses Offered:

- | | | |
|--|-------------------------|----------------------|
| ✓ Machine Learning and Pattern Recognition | ✓ Bio-inspired AI | ✓ Computer Vision |
| ✓ Mathematical Foundations of Data Science | ✓ Big Data Analytics | ✓ IoT Data Analytics |
| ✓ Deep and Reinforcement Learning | ✓ Information Retrieval | ✓ Speech Recognition |
| ✓ Natural Language Processing | ✓ AI in Bio-informatics | ✓ Blockchain |
| ✓ Robotics Process Automation | ✓ Autonomous Robotics | ✓ Mixed Reality |

Institute Administration

Name: Dr. Suresh K Ukarande (**Principal**)

Qualification: Ph.D., IIT Bombay, M.Tech., IIT Bombay (WRE), B.E (Civil Engineering), M.I.E. (India), M.I.S.T.E., M.I.S.H., M.I.A.H.

Specialization: Civil Engineering and Water Resources

Experience: 35 yrs

Name: Dr. Sunita R Patil (**Vice Principal, Professor**)

Qualification: Ph.D. (Computer Engineering),

M.E. (Computer Engineering), B.E. (Computer Science and Engineering)

Specialization: Artificial Intelligence, Data Mining, Databases

Experience: 21.5 yrs

Name: Dr. Jayashree Khanapuri (**HOD Electronics and Telecommunication**)

Qualification: Ph.D. (Electrical & Electronics Engineering Sciences),

M.E. (Digital Electronics), B.E. (E&C)

Specialization: Digital Image Processing

Experience: 20 yrs Research – 3.6 months

Name: Dr. Milind Nemade (**HOD Electronics Engineering and Artificial Intelligence and Data Science**)

Qualification: Ph.D. (Electrical Engineering (Speech Processing),

M.E. Electrical Engineering (Microprocessor Applications), B.E. (E&TC)

Specialization: Audio/Speech Processing, Music Therapy, Machine Learning, Artificial Intelligence

Experience: 24 yrs

Name: Dr. Sarita P. Ambadekar (**HOD Computer Engineering**)

Qualification: Ph.D (Computer Engineering)

M.E. (Computer Engineering), B.E. (Computer Science and Engineering)

Specialization: Image Processing, Database, Data Mining, Machine learning

Experience : 22 yrs

Name: Dr. Radhika Kotecha (**HOD Information Technology**)

Qualification: Ph.D. (Technology and Engineering)

M.Tech. (Computer Science & Engineering), B.E. (Computer Engineering)

Specialization: Artificial Intelligence

Experience: 11 yrs

Name: Dr. Hariram Chavan (**Dean Administration, PG Coordinator**)

Qualification: Ph.D. (Computer Engineering),

M. E. (Computer Engineering), B.E. (Computer Science and Engineering)

Specialization: Artificial Intelligence, Mobile Database

Experience: 25 yrs

Name: Dr. Harsha Mishra (**HOD, Basic Science and Humanities**)

Qualification: Ph.D. (Chemistry),

M.Sc. (Organic Chemistry), B.Sc. (Chemistry, Zoology, Botany)

Specialisation: Natural Products

Experience: 22 yrs

Name: Dr. Namrata Ansari (**Dean Academics**)

Qualification: Ph.D. (Electronics Engg.)

M.E. (Electronics and Telecommunication Engineering)

B.E. (Electronics engineering)

Specialization: Microstrip Antenna, Internet of Things

Experience: 22 yrs

Institute Administration

Name: Prof. Uday Rote (**Dean Student Welfare**)
Qualification: Ph.D. (Pursuing),
M.E. (Computer Engineering), B.E. (Computer Science & Engineering)
Specialization: Wireless Sensor Network
Experience: 20 yrs

Name: Dr. Vaishali R. Wadhe (**Dean Industry & Institute Interaction Cell**)
Qualification: Ph.D. (Cloud Computing),
M.E. (Electronics Engineering), B.E. (Electronics & Telecommunication)
Specialization: Cloud Computing
Experience: 18.5 yrs

Name: Dr. Umesh Shinde (**Dean Research & Development**)
Qualification: Ph. D. (Science),
M. Sc. (Solid State Physics)
Specialization: Physics
Experience: 20 yrs

Name: Dr. Vrushali Deole, (**Dean, Alumni & Corporate Relations**)
Qualifications: Ph.D. (Mumbai University), M.A. (English Literature)
Specialization: Gender Studies
Experience: 20 yrs

Name : Prof. Ghanashyam Phadke (**Training and Placement Officer**)
Qualification: M.F.M. (Masters in Financial Management),
M.E. (Electronics Engineering), B.E. (Electrical Engineering)
Specialization: Masters in Financial Management, NET in Management
Experience: Industry -16 yrs 4 months, Institute- 21 yrs

Name: Dr. Vaishali K. Ghadyalji (**Controller of Exams**)
Qualifications: Ph.D., M.A. (English Literature), B.A. (English Literature)
Specialization: English Literature (Drama)
Experience: 21.5 yrs

Name: Vrinda Ullas, **IQAC Coordinator**
Qualifications: M.E. (Electronics Engineering)
Specialization: Electronics
Experience: 24 yrs

Name: Gauri Gothivrekar (**Librarian**)
Qualification: B.Sc. (Chem.), B.L.I.Sc., M.L.I.Sc., SET
Specialization: Library Science
Experience : 14 yrs- Institute , Industry – 3 yrs

Name: Ms. Kavita Kadam (**Office Superintendent**)
Qualification: MBA (HR), B.Sc. (Chemistry)
Specialization: Human Resource and Management
Experience: 19 yrs

Name: Ankush Gaikwad, (**Accountant**)
Qualification: Bachelor in Commerce
Specialization: Accounts
Experience: Industry – 14 yrs Institute- 18 yrs

Knowledge Resource Centre (Library)

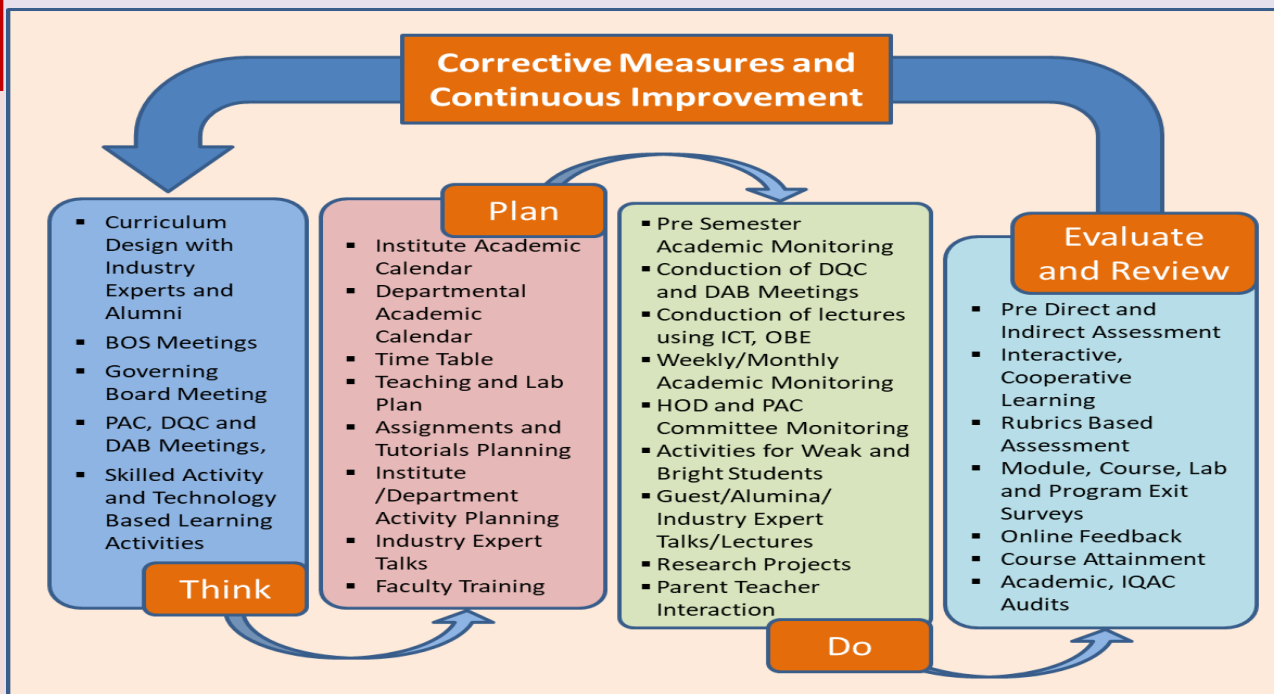

Salient Features

- ❑ 22500 print books comprising of text books, Reference books, Encyclopaedia, General Reading books and Competitive exam books
- ❑ Updated Library page on Institute website
- ❑ Access to 16000+ ebooks pertaining to engineering.
- ❑ 500+ E-journals including IEEE, ACM, ASME
- ❑ 40 print journals
- ❑ Remote access to e-Library
- ❑ Institutional repository comprising video lectures by Institute teachers
- ❑ Availability of Anti-plagiarism software -Urkund
- ❑ NPTEL video lectures by IIT professors on various subjects
- ❑ Comprehensive collection of CDs and DVDs, Study material and application software.
- ❑ Well maintained old question papers files both in print and soft format
- ❑ Additional reading facility on holidays during examination
- ❑ 24X7 reading hall facility in Somaiya Medical college in the same campus
- ❑ Access to all Somaiya Libraries including Ayravihar and Vidyavihar campus
- ❑ **Online** facilities for Book Catalogue search, Book renewal, Book Reservation
- ❑ Alerts about current contents and current material in library
- ❑ 15 newspapers in English and other regional languages
- ❑ Various activities like Book exhibitions, Seminars
- ❑ Star reader student award for the student borrowing books for maximum time in a semester
- ❑ Earn and Learn scheme implementation

Best Practices in Academics

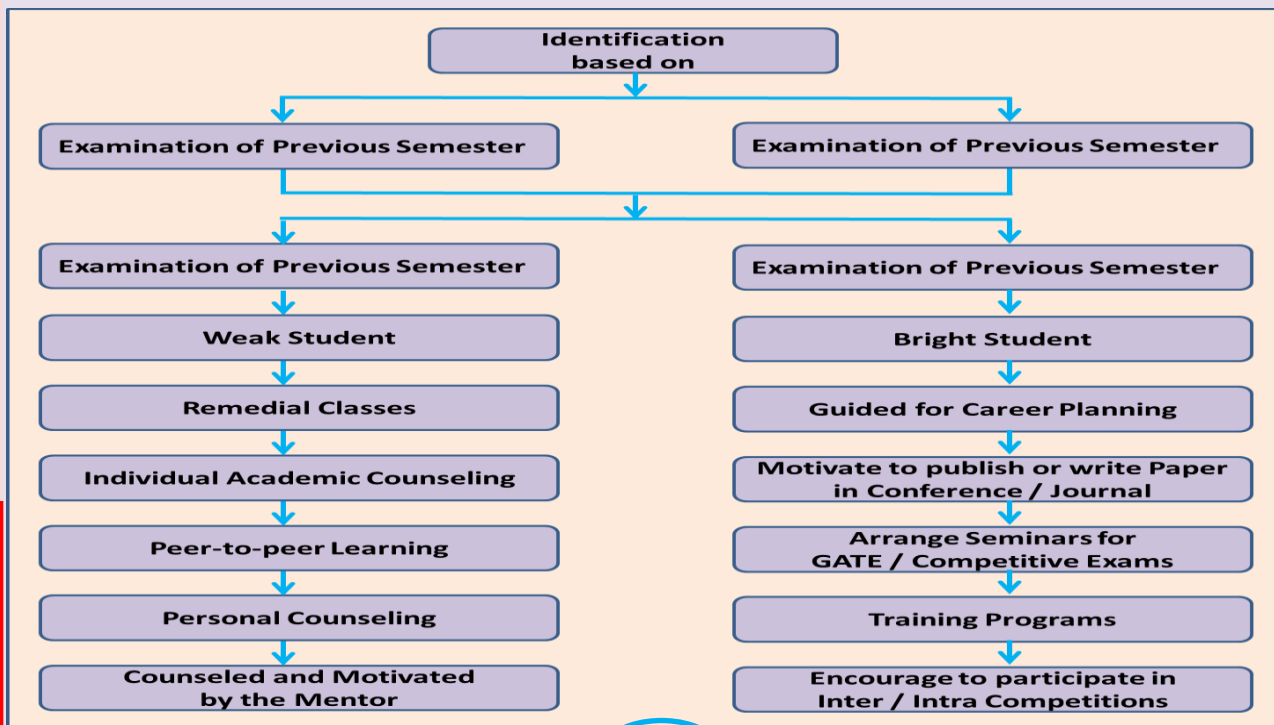

Quality Teaching Learning Process

Digital Learning

Institute uses TCS-iON Digital Learning platform, Value addition Online Certification courses of NPTEL, Swayam, Spoken Tutorials-IIT Bombay, Coursera.org campus licence, National Digital Library of India, etc.

Methodologies to Support Weak and Bright Students

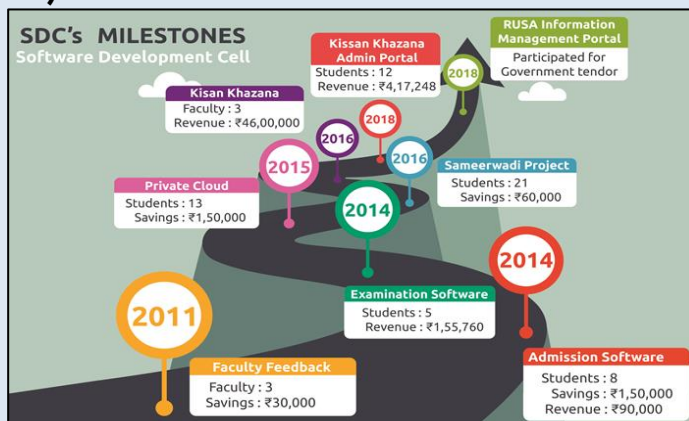

Facilities on Campus

Software Development Cell (SDC)

Software Development Cell is a group of faculty members and students of the institute who want to put theory into practice and make use of their knowledge for betterment of society through project development.

With perseverance and diligence, the team managed to take up not only in house projects but also software consultancy projects for organizations like Godavari Bio-refineries Limited, Sameerwadi, K J Somaiya Science and Commerce College,

Mumbai etc. The gamut of projects taken up and successfully delivered by the team includes Admission Process Management, Agricultural Data Management for KIAAR, Mobile based notification application for Farmers, tissue culture growth room controller, Examination Management System, GIS based Crop management System, Expert Systems to guide farmers etc.

Centre of Excellence (CoE)

"Centre of Excellence in RPA, AL & ML" started by KJSIEIT in joint collaboration with UiPath and Robonomics AI in August 2018 which is believed to be the 1st ever unique cell among all Engineering colleges in India. The three crucial aspects for the Centre of Excellence are - Compile, Create & Dissemination of information. Currently total 76 students and 10 faculties from KJSIEIT have registered under CoE. Total 30 students and 4 faculty undergone the training and started execution on UiPath RPA tool. Total 12 industry projects are allotted to group of students and after the successful completion of the same, the students will undergo UiPath Certification and placement activities.

Institute Innovation Council (IIC)

Institution's Innovation Council of the institute (KJSIEIT - IIC) runs as per the guidelines of MHRD's Innovation Cell (MIC) to promote innovation and entrepreneurship at institute level. The prime goal of KJSIEIT - IIC is to encourage, inspire and nurture young minds of students by supporting them to work with new ideas and transform them into prototypes as well as products. Throughout the year, KJSIEIT - IIC conducts various innovation and entrepreneurship-related activities for the students like seminars, webinars, interactions with entrepreneurs, idea competition, design competition, PoC development workshops, mini-challenges, hackathons, business plan competition, etc. with the involvement of industries, thus creating a vibrant local innovation ecosystem in the institute.

(KJSIEIT – IIC) is awarded as:

- ❑ One of the Top 25 Institution's Innovation Councils in the Nation (among 952 Institution Innovation Councils across the nation) for the year 2018-19.
- ❑ One of the Top 3 Institution's Innovation Councils in Western/ WRO Zone (among 159 Institution Innovation Councils across the western zone) for the year 2018-19.

Facilities on Campus

Annual International Conference on “Advances in Science and Technology”- ICAST:

Institute annually organises international conference - ICAST to bring together academicians, researchers, developers, engineers, students, industrial experts and practitioners working in India and abroad promoting research and developmental activities & scientific information interchange in the field of science ,engineering and technology to a common forum.

KJSIEIT-DLLE Centre

Institute has registered with DLLE, Department of Lifelong Learning and Extension, University of Mumbai during this year 2019-20. An opportunity is open to students to gain 10 marks grace at Final Exam during every year provided that they are working for 120/240 hrs of extension activities/projects.

Extension students are involved in different extension projects of Skill Development, Industry Orientation, Career Guidance, Entrepreneurship Development, Status of Women in Society, Environmental Protection, Population Education, National Institute of Schooling and Anna Poorna Yojana.

KJSIEIT-DLLE received Consolation prize for poster presentation at Udaan- Flight of Extension 2020, Annual Festival by DLLE, University of Mumbai in January 2020 which is of great achievement

Developer Student Club (DSC):

DSC club aims to collaborate and become a chapter of Google Developer Student Club following all its functions and aims working on Data Science, Cyber Security, App Development, IOT, Cloud Computing, Machine, Deep Learning - Artificial Intelligence and Firebase technologies. DSC collaborates with business organisations for technology based solutions facilitating project based problem solving activities.

REDX-AI Club:

REDX (Rethinking Engineering Design and Execution)- AI (Artificial Intelligence) club provides students a platform to work on real time projects. Students will be developing the projects using AI-ML technology under guidance from industry experts. The basic focus is to work in the domain of agriculture, Healthcare and Education.

KJSIEIT-Green Club

Green club creates environmental and cleanliness awareness among students and staff using various techniques. Also educate students and staff for plantation of more number of trees including medicinal plants and maintaining the Institute campus green by using concept of Reduce, Reuse and Recycle. Green club promotes to use smart techniques for saving and efficiently using natural resources for maintaining the Campus Green and also to participate and win as KJSIEIT with different awards and rankings.

Facilities on Campus

Industry Institute Interaction Cell (IIIC)

Industry Institute Interaction Cell (IIIC) is dedicated to bridge the gap between academics and industries. Through IIIC, the institute has signed MOUs with industries for various activities. It identifies students to work on projects in industries, organizes Job-Fair to increase placement of the institute, arranges guest lectures/seminars of industry experts, organizes industrial visits / training for students and faculty. It also encourages students to join internship programs at various industries as well as in house internship provided by faculty, students and alumni.

Research Innovation Incubation Design Laboratory (riidl)

riidl is an incubation centre which provides nurturing environment to early based startups by providing them work space and mentoring which enables them to contribute to the community. Through riidl, we also create focused groups who want to work on projects and technology based business ideas. The services provided by riidl help startup to grow and facilitate their need during their early growth stage.

riidl

Innovative Student Project Funding

Institute encourages research and development culture among students from first year engineering itself. Innovative, need based, societal projects are fully funded by the institute and platforms being made available to use, market, produce, present, publish and patent student's projects.

Interaction With Outside World

Students are encouraged to interact with outside world by supporting them for participation and winning at project competitions, project exhibitions, research conventions, conferences, programming and hackathon contests, technical and non-technical activities, sports, startups etc.

New Leap Initiative (NLI)

New leap initiative is a space club at our Institute. The team is a proud winner of 'Touch The Jovian Moon-Lander Mission Design' contest hosted by LPSC-ISRO. NLI was started with a belief to make space accessible to the common man. Basic goal of NLI is to apply knowledge of engineering to develop inexpensive, flexible and easily reproducible designs to better serve the community. NLI team is also working in association with ISRO towards the development of a two nano satellite. Besides the primary goal, team is also involved in various other industrial projects out of which one is under 'Make in India' Initiative.

Cyber Security Cell

Cyber Security Cell started with the motive to create awareness about cyber crimes and security. Through Cyber Security Cell various workshops, seminars and training programs are conducted for all sections of society. The cell provides consultancy services as well. The cell gives exposure to the students and faculty to the recent trends in cyber crimes and trains them to secure the systems. Students are sent to the internship programs in cyber security industry.

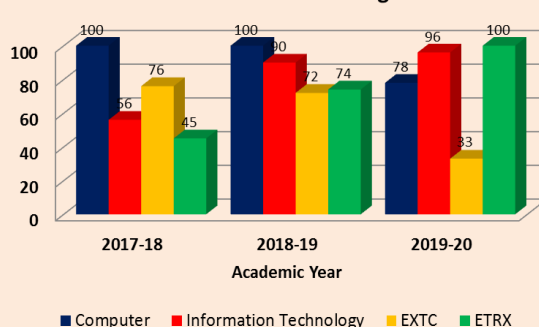

Training - Placement and Result

With a view to providing appropriate career opportunities to students, the Training and Placement (T&P) Cell continuously interacts with the leading companies and organizations. The T&P office handles all the aspects of campus placements and has adequate arrangements for the pre-placement training talks, written tests, group discussions, interviews, finishing schools etc.

The T&P committee grooms students to enhance their communication and presentation skills through mock-practice sessions. It emphasizes on analytical abilities, aspects on flexibility and adaptability, in order to cope with the changing and competitive business environment. Relevant workshops are frequently organized for student advancement.

Student Professional Bodies

CSI-KISIEIT

Computer Society of India (CSI) has been instrumental in building many successful engineers over the years. Number of technical and non-technical activities are held throughout the year for the all round technical and managerial skills of students.

IET-KISIEIT

The Institution of Engineering and Technology (IET) student chapter helps students to develop their technical skills that are essential in the corporate world. Most of the workshops, seminars, competitions are held by IET professionals with training on various technical projects. Institute is an academic affiliate partner of the IET.

E-Cell KISIEIT

The Entrepreneurship Cell (E-Cell) is an association managed and driven by students to promote entrepreneurship among students. E-Cell is associated with the National Entrepreneurship Network (NEN) to interact with like-minded people, The E-Cell basically focuses on student start-ups.

IEEE-KJSIEIT

The Institute of Electrical and Electronics Engineers Standards Association (IEEE-SA) is an organization within IEEE that develops global standards in a broad range of industries, including power and energy, biomedical and health care, information technology, telecommunication, transportation, nano-technology, information assurance, and many more. IEEE-KJSIEIT provide learning opportunities to students in the field of engineering sciences, research and technology.

IETE-KJSIEIT

The Institution of Electronics and Telecommunication Engineers (IETE) is the National Apex Professional body of Electronics and Telecommunication, Computer Science and IT Professionals. The IETE-KJSIEIT Student Chapter focuses on advancement of the Science and Technology of Electronics, Telecommunication, Computers, Information Technology and related areas.

ISTE-KJSIEIT

The vision of Indian Society for Technical Education (ISTE) is a world where all learners thrive, achieve and contribute. ISTE-KJSIEIT works with a mission to empower learners to flourish in a connected world by cultivating a passionate professional learning community, linking educators and partners, leveraging knowledge and expertise, advocating for strategic policies, and continually improving learning and teaching.

IEI-KJSIEIT

The Institution of Engineers (India) (IEI), the premier professional body of engineers in India, has contributed significantly in all faculties of engineering and all sectors of applications like academics, administration, industry, infrastructure and consultancy.

ACS-KJSIEIT

Founded in 1876 and chartered by the U.S. Congress, ACS is the world's largest scientific society. Their mission is to advance the broader chemistry enterprise and its practitioners for the benefit of Earth and its people. Their vision is to improve people's lives through the transforming power of chemistry.

Co-Curricular Activities

Life Long Learning and Extension Activities

Extra-Curricular Activities

Admission Process

Admissions are strictly on the inter-se-merit basis and as per the rules prescribed by the Directorate of Technical Education and Admission Regulating Authority, Government of Maharashtra.

For all the seats, the candidate can apply through Centralized Admission Process (CAP) by the Competent Authority (State CET Cell, Admission Regulating authority, Govt. of Maharashtra) as per schedule. Online applications and detail information about CAP process is available on website www.mahacet.org.

For the seats remaining vacant after CAP rounds, online Application forms are available on the College website: <https://kjsiet.somaiya.edu/en>. Candidates can fill the online application form. Necessary documents must be uploaded along with the online form. The processing charges for application form will be **Rs.1000/-** only which should be paid online. To apply for these seats the candidate must have initially registered online, uploaded the documents at www.mahacet.org and got their application and documents verified by the designated E-Scrutiny Centre through online mode.

Notification and advertisement regarding vacant seats remaining vacant after CAP rounds will be published in leading newspapers. All notices regarding admissions will be displayed on college website. Refer to the college website for online application form, prospectus, Last date for receipt of completed Application Forms, Dates for display of merit lists and schedule of counseling session.

Courses Offered and Sanctioned Intake for First Year Engineering (B.Tech.)

The Institute offers Bachelor of Technology Degree Programs of four years duration with an annual intake of 360. The Institute is self-financed, approved by All India Council for Technical Education (AICTE), Directorate of Technical Education, Maharashtra State and is affiliated to the University of Mumbai.

Seats available for the First Year Engineering Course (B.Tech.)

Branch	Sanctioned Intake	Choice Code (CAP)	GLM (51%) (CAP)	Non-Minority (49%) (CAP)	TFWS*	J&K *
Computer Engineering	120	320924510	61	59	6	1
Information Technology	60	320924610	31	29	3	1
Electronics and Telecommunication Engineering	120	320937210	61	59	6	1
Artificial Intelligence and Data Science	60	320999510	31	29	3	1

This College has Gujarati Linguistic Minority status. Accordingly, the distribution of seats is as follows:

- 51% of SI for Gujarati Linguistic Seats admitted through CAP by the Competent Authority.
- 49% Non-Minority through CAP by the Competent Authority.

***Additional Seats available for admission through CAP which are over and above the Sanctioned Intake as per Government notifications.**

Eligibility Criteria

Eligibility for Admission to the First Year Engineering (B.Tech.)

(For Maharashtra State Candidates)

- i. The Candidate should be an Indian National
 - ii. Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical Vocational subject or Computer Science or Information Technology or Informatics Practices or Agriculture or Engineering Graphics or Business Studies and obtained at least 45 % marks (at least 40 % marks, in case of Backward Class categories, Economically Weaker Section and Persons with Disability category candidates belonging to Maharashtra State), in the above subjects taken together; and the Candidate should have appeared in all the subjects in MHT-CET2021 and should obtain non zero score in MHT-CET2021 conducted by the Competent Authority;
- OR
- ii. *Passed Diploma in Engineering and Technology and obtained at least 45% marks (at least 45 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only)

For All India Candidates, Eligibility criteria will be as per the rules mentioned in Maharashtra Government Gazette No. Part - 4B, 08 October 2020 issued by Govt of Maharashtra.

Note: Please refer Information Brochure for admission to Full Time Professional Undergraduate Technical Courses for Academic Year 2021-22 issued by Admission Regulating Authority (available at www.mahacet.org)

Eligibility for Admission to the Direct Second Year Engineering (B.Tech.)

- i. The candidate should be an Indian national;
 - ii. Passed Diploma Course in Engineering and Technology with at least 45% marks (40% marks in case of candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) in appropriate branch of Engineering and Technology from an All India Council for Technical Education or Central or State Government approved Institution or its equivalent;
- OR
- ii. Passed B.Sc. Degree from a University Grants Commission (UGC) or Association of Indian Universities recognized University with at least 45% marks (40% in case of candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) and passed HSC or its equivalent examination with Mathematics as a subject.

Eligibility for Admission to the Master of Engineering (M.Tech.)

Passed Bachelor Degree in Computer Engineering / Information Technology / Electrical Engineering / Electronics Engineering / Electronics and Telecommunication Engineering / Instrumentation Engineering / Power Electronics -- with at least 50% marks (at least 45% marks in case of candidates of Backward class categories, Economically Weaker Section (EWS) and persons with disability belonging to Maharashtra State)

Requisite: Non-Zero Positive GATE Score in Computer Science and Information Technology (CS), Electronics and Communication Engineering (EC), Electrical Engineering (EE), Instrumentation Engineering (IN) streams **OR** Full-time Work Experience of 2 Years with Sponsorship Certificate from the Employer

Fee Structure

The Fees payable on admission to the College for the First Year / Direct Second Year Engineering undergraduate Degree Course and the first Year Engineering postgraduate Degree Course will be charged as per the decision of Fees Regulating Authority.

Fee Structure for the First Year Engineering (Undergraduate Course) B. Tech.

Category	Tuition + Development Fees in ₹	Total Fees in ₹ including other Fees ** Maharashtra State board Candidate	Total Fees in ₹ including other Fees ** Other than Maharashtra State board Candidate
Open Category (CAP)	1,66,000	1,71,432	1,72,252

TFWS (CAP)	19,098	24,530	25,350
J & K & GOI (CAP)	24,000	29,432	30,252
Vacancy Against CAP seats	1,66,000	1,71,132	1,71,952

Fee Structure for the Direct Second Year Engineering (Undergraduate Course) B. Tech.

Category	Tuition + Development Fees in ₹	Total Fees in ₹ including other Fees ** Maharashtra State board Candidate	Total Fees in ₹ including other Fees ** Other than Maharashtra State board Candidate
Open Category (CAP)	1,66,000	1,71,185	1,72,005
SC / ST (CAP)	19,098	24,283	25,103
VJ/NT/DT SBC/SBC-A(CAP)	19,098	24,283	25,103
OBC/EBC (CAP)	92,549	97,734	98,554
Vacancy Against CAP seats	1,66,000	1,72,385	1,73,205

Fee Structure for the First Year Engineering (Postgraduate Course) M. Tech.

Category	Tuition + Development Fees in ₹	Total Fees in ₹ including other Fees ** Mumbai University Candidate	Total Fees in ₹ including other Fees ** Other than Mumbai University Candidate
Open Category	1,00,000	1,06,258	1,07,083

** Other fees includes University Enrolment fee, E-Charges, Disaster Relief Fund, Students Insurance, Amartya Insurance, Sports & Cultural Activities, Cultural Activities Fund, Gymkhana Fees, Exam Fees, College I-card & Library Card charges, University eligibility charges, verification charges, processing fee etc. as applicable.

As per Maharashtra Education Institute (Prohibition of Capitation Fee) Act 1987, Institute is not charging any kind of extra fees.

The fees will be accepted by Online payment through net banking, debit card, credit card or by demand draft or pay order drawn in favour of "K. J. SOMAIYA INSTITUTE OF ENGINEERING & I. T." payable at Mumbai.

Document Checklist

Documents Checklist for the First Year Engineering

One true copy of required documents must be submitted online at the time of submitting application form (printed from our web site). Candidate must submit originals along with three sets of true copies of required documents must be submitted at the time of confirming admission.

For all candidates

- 1) SSC (Std X) Mark sheet
- 2) HSC (Std XII) Mark sheet
- 3) MHT-CET Score Card 2021
- 4) HSC Leaving Certificate after passing HSC (Std XII)
- 5) Certificate of Indian Nationality
- 6) Receipt-cum Acknowledgement from E-Scrutiny Centre
- 7) Migration Certificate (For candidates other than Maharashtra State Board)
- 8) Gap affidavit (If Year of passing HSC before 2021)
- 9) True copy of Aadhar card (at the time of admission)

For candidates admitted through CAP

- 9) CAP Allotment letter (at the time of admission)
- 10) In addition to the above mentioned documents, the candidates admitted under different categories in CAP rounds are required to submit documents as mentioned in information brochure issued by competent authority
- 11) ARC Seat Confirmation Receipt

For All India Candidates admitted based on JEE Main 2021 Paper-I

Scorecard of JEE (Main) 2021 Paper-I

For SC/ST Candidates

- a) Caste Certificate from competent Authority
- b) Caste Validity Certificate (Compulsory as per notification received from Govt. of Maharashtra)
- c) Income Certificate issued by competent authority
- d) Ration Card
- e) Bank Account details
- f) Maharashtra State Domicile Certificate (for Scholarship and Fee Concession)

For NT1, NT2, NT3, OBC & SBC Candidates

- a) Caste Certificate from competent Authority
- b) Non-creamy layer certificate valid up to 31st March, 2022
- c) Caste Validity Certificate (Compulsory as per notification received from Govt of Maharashtra)
- d) Income Certificate issued by competent authority
- e) Ration Card
- f) Bank Account Details
- g) Maharashtra State Domicile Certificate (for Scholarship and Fee Concession)

For Gujarati Linguistic Minority Candidates

- a) School Leaving Certificate mentioning Gujarati Language as mother tongue
OR
- a) Certificate issued by registered community regarding mother tongue of the candidate
- b) Affidavit on stamp paper of Rs. 100 /- in prescribed format (available on college website)
- c) Domicile Certificate of Maharashtra State (or documents specified for Maharashtra State Type A or Type B candidate).

For EBC Candidates

- a) Income Certificate for the year 2020-21 issued by competent authority
- b) Maharashtra State Domicile Certificate (for Scholarship and Fee Concession)

Document Checklist

Documents Checklist for the Direct Second Year Engineering

One true copy of required documents must be submitted online at the time of submitting application form (printed from our web site). Candidate must submit originals along with three sets of true copies of required documents must be submitted at the time of confirming admission.

For all candidates

- 1) SSC (Std X) Mark sheet
- 2) HSC (Std XII) Mark sheet (if diploma passed after HSC)
- 3) Diploma All Semester Mark sheets
- 4) Diploma Provisional certificate
- 5) Equivalence certificate (if passed from autonomous institute)
- 6) School Leaving Certificate after passing Diploma
- 7) Certificate of Indian Nationality
- 8) Receipt-cum Acknowledgement from E-Scrutiny Centre
- 9) Migration Certificate
- 10) Gap affidavit (If Year of passing Diploma before 2021)
- 11) True copy of Aadhar card (at the time of admission)

For candidates admitted through CAP

- 11) CAP Allotment letter (at the time of admission)
- 12) In addition to the above mentioned documents, the candidates admitted under different categories in CAP rounds are required to submit documents as mentioned in information brochure issued by competent authority
- 13) ARC Seat Confirmation Receipt

For SC/ST Candidates

- a) Caste Certificate from competent Authority
- b) Caste Validity Certificate (Compulsory as per notification received from Govt. of Maharashtra)
- c) Income Certificate issued by competent authority
- d) Ration Card
- e) Bank Account details
- f) Maharashtra State Domicile Certificate (for Scholarship and Fee Concession)

For NT1, NT2, OBC & SBC Candidates

- a) Caste Certificate from competent Authority
- b) Non-creamy layer certificate valid up to 31st March, 2022
- c) Caste Validity Certificate (Compulsory as per notification received from Govt of Maharashtra)
- d) Income Certificate issued by competent authority
- e) Ration Card
- f) Bank Account Details
- g) Maharashtra State Domicile Certificate (for Scholarship and Fee Concession)

For Gujarati Linguistic Minority Candidates

- a) School Leaving Certificate mentioning Gujarati Language as mother tongue
OR
- a) Certificate issued by registered community regarding mother tongue of the candidate
- b) Affidavit on stamp paper of Rs. 100 /- in prescribed format (available on college website)
- c) Domicile Certificate of Maharashtra State (or documents specified for Maharashtra State Type A or Type B candidate).

For EBC Candidates

- a) Income Certificate for the year 2020-21 issued by competent authority
- b) Maharashtra State Domicile Certificate (for Scholarship and Fee Concession)

Rules and Regulations

Cancellation of Admission and Refund of Fees

Rules prescribed in Information Brochure for admission to Full Time Professional Undergraduate Technical Courses for Academic Year 2021-22 issued by Admission Regulating Authority

Retention of Original Documents

Original certificates shall be submitted for verification to the college authority effecting admission. If a candidate is offered admission, his/her original School/ Institution Leaving Certificate (after qualifying examination) and Certificate of Marks at the qualifying examination will be retained by the college. These two original certificates will not be returned to any candidate once admitted to a course unless the candidate cancels his/her admission. If a candidate is unable to produce these two original certificates at the time of his/her admission on account of his/her admission to some other institution; he/she will have to produce a certificate from the Head of the Institution where he/she has taken admission indicating that he/she has been admitted to a particular course in that institution and hence his/her original certificates have been retained in that institution. Along with such a certificate the candidate shall be required to submit the copies of the above mentioned two certificates; i) School / Institution Leaving Certificate (after qualifying examination) and ii) Certificate of Marks at the qualifying examination, duly attested by the Head of the institution in which he/she has taken admission.

Miscellaneous

On confirmation of admission after payment of fees, the student will be governed by the Rules and Regulations of Discipline and Conduct of the Institution, University of Mumbai as prescribed by the competent authority from time to time.

Agreement Bond

Candidate and his/her parent/guardian will have to sign an Agreement Bond (available with application form) at the time of admission. The candidate passing the qualifying examination (XII Std.), from other than Maharashtra State Board and admitted to any course in Engineering at this College will have to produce the eligibility certificate from the University of Mumbai to which the college is affiliated, before his/her admission. Further clarification, if any may be obtained from the College Office.

Conduct and Discipline

Notwithstanding anything contained in the Rules, if the state Government takes any policy decision pertaining to FE admission, then the same shall be brought into effect at that point of time as per the directives from the government from time to time. Failure of the candidate in making full and correct Statements in the application form and/or suppression of any information and/or submission of false documents shall lead to disqualification of the candidate during the Admission Process or even at later date of admission. Students while studying in this college, if found indulging in anti-national activities contrary to the provisions of Acts and Laws enforced by government or in any activity contrary to rules of discipline will be liable to be expelled from the college without any notice by the Director/ Principal of the College. If a student is found indulging in activities, or acts or commission or omission which amount to an offence under Indian Penal Code or under any act or Statute or any other act or omission which amounts to breach of discipline, the student will be liable for disciplinary action and may be punished with fine or any other punishment including expulsion from the college. If any of the statement made in application form or any information supplied by the candidate in connection with his/her admission is later on, at any time, found to be false or incorrect, his/her admission will be cancelled, fees forfeited and he/she be expelled from the College by the Director/Principal. An appeal against the order of expulsion, however, may be preferred within 7 days to the Director of Technical Education, Maharashtra State, Mumbai, whose decision in such cases will be final.

Scholarships and Schemes

Scholarships and other Schemes

KJSIET-Merit Cum Means Scholarship/Sponsorship of ₹ 25,000/- for 20 students in Electronics and Telecommunication branch.

Eligibility Criteria:

- 1) Candidate should be economically weak but deserving with an excellent academic record.
- 2) Yearly income of the candidate should not be more than Rs. 1,00,000/-. Candidates will have to submit income certificate stating that his/her parent's annual income is less than Rs.1,00,000/- lakh from all sources from the appropriate authority.
- 3) Minimum Cut-off marks for Scholarship/Sponsorship will be decided at the time of admission process.
- 4) Scholarship/Sponsorship of a student will be discontinued if found indulging in anti-institutional activities, ragging or any other activity contrary to rules of discipline without any notice.
- 5) Scholarship/Sponsorship of a student will be discontinued if his/her yearly progress report (of the candidate) is not satisfactory.

Concession in Tuition and Other Fees:

All the schemes given below, regarding concession in tuition and other fees shall be available to candidates belonging to Maharashtra State only subject to the fulfillment of the eligibility criteria specified by respective authorities offering such concession in fees from time to time.

E.B.C. Concession:

Candidates claiming concessions for Economically Backward Class (E.B.C.) shall produce a certificate from the Executive Magistrate to the effect that the candidate belongs to EBC category at the time of admission. Candidates admitted under CAP and who wants to avail this facility should submit an application in the prescribed form to the appropriate authorities through student section of the institute.

Concession in Fees for Backward Class Category Candidates (belonging to Maharashtra state only)

For SC / ST / VJ DT / NT1 / NT2 / NT 3 / OBC / SBC / ESBC category candidates

The scheme will be announced by the state Government. The candidates admitted under CAP will get only that amount of waiver as notified in the circulars issued by the Social Justice and Tribal Welfare Departments from time to time, subject to fulfillment of various norms and conditions laid down by these Departments.

Candidates claiming fee concession under reservation category shall produce the requisite certificates as may be specified by the respective Social Justice and Tribal Welfare Departments.

Amartya Shiksha Yojana Policy:

The Government of Maharashtra and DTE has implemented this unique Scheme for Degree Courses in Engineering/ th Technology Students all over Maharashtra vide G. R. No. TEM-2011/(11/2011) TECH EU 04 dated 25 August, 2011. The Scheme is mandatory for all the colleges and students to pay and get insured as per the aforesaid Government Resolution, from the Academic Year 2012-2013 for all the students. For further information contact Students Section of Institute.

Prevention and Prohibition of Ragging in Technical Institution under Anti Ragging Act

In view of the directions of the Hon'ble Supreme Court in SLP No. 24295 of 2006 dated 16-05-2007 and in Civil Appeal number 887 of 2009, dated 08-05-2009 to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, of all students, the All India Council for Technical Education,(AICTE) brings forth these Regulations.
