

# Career Opportunities for Engineering Students in Public Sector ( COEPS )

## OBJECTIVES

- Facilitate government internships for hands-on experience
- Organize public sector workshops for skill enhancement.
- Arrange visits to government projects for exposure.
- Conduct specialized training with government collaboration.
- Provide career guidance for public sector placements.

## MISSION

- Facilitate Public Sector Internships and Career Opportunities
- Promote National Service and Smart City Development
- Support Holistic Student Development
- Cultivate Awareness of Public Sector Careers

## ABOUT THE COEPS CELL

The **COEPS Cell** is a unique initiative among engineering colleges in Maharashtra, guiding students toward careers in the **public sector**.

It was **inaugurated on January 24, 2017**, by **IAS Tukaram Mundhe**, then Commissioner of Navi Mumbai.

The cell was established to **prevent intellectual drainage** and to **channel youth talent for national development**.

Since inception, it has facilitated **35+ internships** in top organizations like **ISRO, NPCIL, TIFR, NDA, Central Railway, BSNL, IIT BOMBAY** and more...

Public sector exposure through this cell includes **internships, real-time projects, workshops and industrial visits**.

Over **5,000 students have benefitted**, till date, gaining hands-on experience and insight into government-led innovations.

COEPS continues to inspire engineers to contribute meaningfully to the **progress of India**.

## COEPS CELL INDUSTRIAL VISITS

- 12th March 2025 : IV at BSE ( Bombay Stock Exchange)
- 1st March 2025 : IV at GMRT (Giant Metrewave Radio Telescope, Pune)
- 15th Feb. 2025 : IV at NPCIL (Nuclear Power Corporation of India Limited)
- 7th Feb. 2025 : IV at IIT BOMBAY NanoFabrication Lab & Power Electronics Lab
- 8th Feb. 2025 : IV at CSMT (Evolution of Technology in the last 100 Years due to Electrification)

## COEPS CELL Core Team

SR. NO.	NAME	DESIGNATION	DEPARTMENT
1	DESHPANDE SANDHYA SANDEEP	CONVENOR	EXTC

## Events Conducted by COEPS Cell : 2024-25 (EVEN Semester)

**Industrial Visit to The Giant Metrewave Radio Telescope (GMRT)** is located in Khodad, near Narayangaon, about 80 km north of Pune. It is operated by the National Centre for Radio Astrophysics (NCRA-TIFR) and is known for its unique design and ability to study various radio astrophysical phenomena.

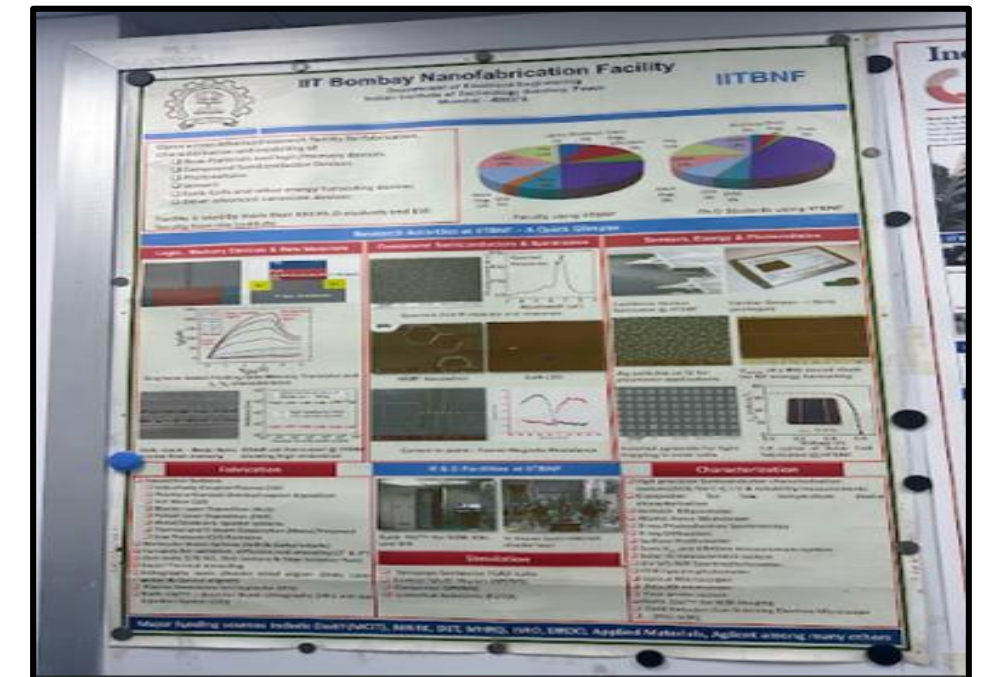

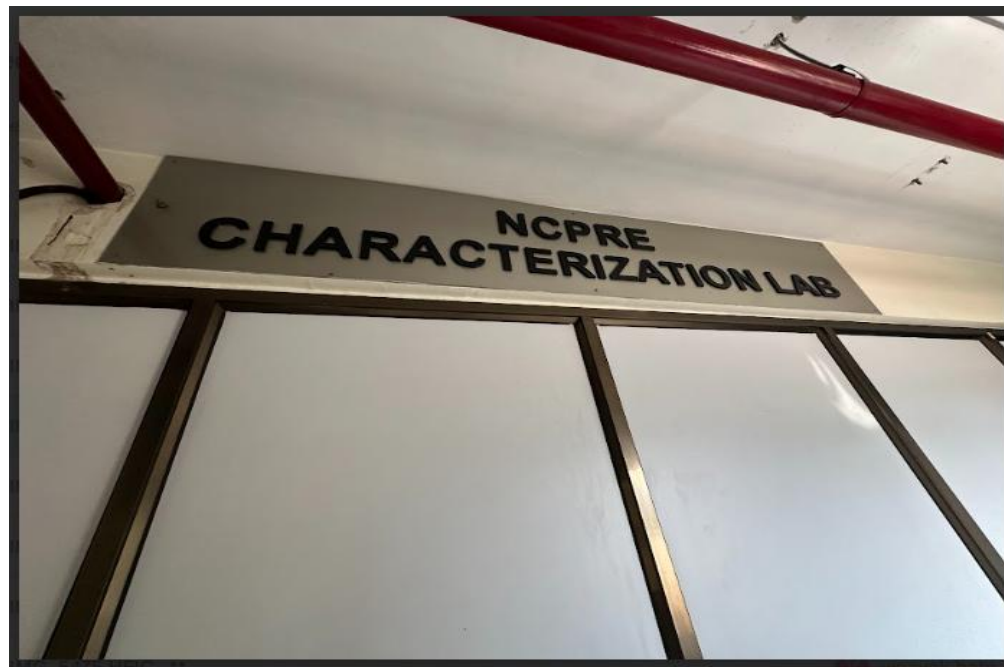

**Industrial Visit to Bombay Stock Exchange (BSE)**

# Industrial Visit to IIT Bombay : 2024-25

# Industrial Visit to TIFR, Mumbai : 2024-25

## Industrial Visit to CSMT Railway Station, Mumbai : 2024-25

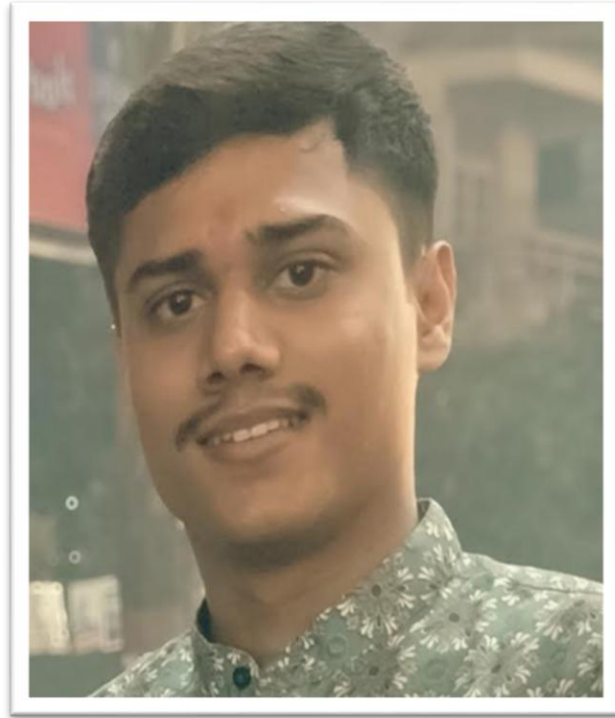

## Industrial Visit to National Power Corporation of India (NPCIL) Mumbai : 2024-25
