

Indian Knowledge System Cell (IKS Cell)

Vision & Mission

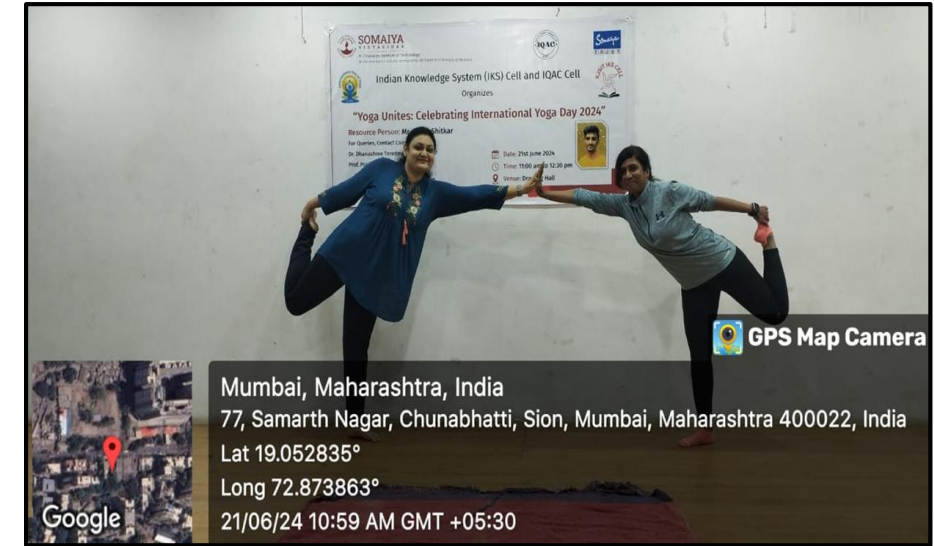

To be universally accepted as a synonym of quality, excellence and commitment in the field of engineering education by nurturing talent and transforming young minds to realize their potential and become future ready engineers.

KJSIT's IKS Cell Objectives

Objective 1 : To inform teachers and students about research initiatives and internship opportunities that use Indian knowledge for study and applications in society.

Objective 2 : To make a contribution through the study, instruction, publishing, and preservation of rich Indian knowledge systems from ancient times to the present.

Taru Putra-Taru Mitra : A Tree Plantation Drive

- **Participation of KJSIT's Indian Knowledge System (IKS) Cell in 'Taru Putra - Taru Mitra' Tree Plantation Drive**
- The Indian Knowledge System (IKS) Cell of K. J. Somaiya Institute of Technology (KJSIT), Mumbai, proudly participated in the 'Taru Putra - Taru Mitra' initiative - a noble tree plantation movement organized by the All World Gayatri Pariwar (AWGP).
- This unique drive promotes the idea of nurturing trees with care and affection, symbolically treating them as one's own son (*Taru Putra*) or friend (*Taru Mitra*).
- Launched in 2018, this *Mega Tree Plantation Abhiyan* aimed to plant 1 lakh trees and successfully culminated on 27th July 2025 at Ashwamedh Upawan Vatika, Titwala. .
- Faculty members and students from KJSIT, under the banner of the IKS Cell, actively participated on the ground, demonstrating their commitment to ecological preservation and alignment with the values of Indian traditions that regard nature as sacred.
