STUDENT WELFARE COMMITTEE (SWC)

About Student Welfare Committee (SWC):

The 'Student Welfare Committee' aims to align the ethical values of student development plans with national goals. The committee endeavors for all-round development of the students with multifarious events that can address the issues faced by the contemporary society. With an objective to build overall competency of students, SWC organizes several co-curricular and extra-curricular activities like student development programmes, technical festivals, cultural festivals, sports festivals, competitions, etc. In addition, the committee strives to make a positive difference among the students by emphasizing on events that result in the quality engineers, innovators, leaders and contributing as citizens of society.

Functions and Responsibilities of SWC:

- To encourage students for welfare activities.
- To organize special programs for overall growth of students.
- To arrange Cultural, Sport and Technical Festivals.
- To enhance the communication among the students.
- To create the platform for overall growth of students.
